Field Trip Consent: Music is an experiential art. As such, many times during the school year, our music students are expected to attend music-related field trips and workshops at various locations in the Lower Mainland. This requires that students be transported by school bus. For local events, students may be required to walk to the event site. *In Stage 2 of BC's Education Restart plan, daytime field trips are permitted provided COVID-19 safety protocols are followed as per the Ministry's guidelines.*

As you know, accidents can be the result of the nature of any activity and can occur with or without any fault on either the part of the student or the School Board or its employees or agents or the facility where the activity is taking place. By allowing your son/daughter to participate in this activity, you are accepting the risk of an accident occurring, and agree that the activity, as described above, is suitable for your child.

Inherent risks of this activity may include but are not limited to:

- **Risks involved with traveling in an automobile**
- **The possibility that your child may not heed safety instructions or restrictions given to the group.**

All school rules apply while students are away on trips. Students are responsible for all work that they miss during their absence. I (parent/guardian), _____, request that my child participate in all PMSS Music Department activities and classes held in the 2020/21 school year. **I understand that this form only applies to daytrips.** A separate form will be distributed for any overnight trips *if and when those types of trips are re-approved by the Ministries of Health and Education.* **By signing, I also acknowledge that all fees paid are non-refundable.**
